To Whom It May Concern,

Sullivan Commercial Realty was chosen to represent Ricos Products Co., Inc. in the disposition of our company headquarters at S. Flores St. Following an extremely successful sale of our property to HEB, we have used Sullivan on all of our subsequent corporate real estate brokerage needs.

Sullivan also handled the acquisition of land at our new company headquarters at S. Presa St.

We feel that Sullivan Commercial Realty handled our real estate business in a competent and expeditious manner.

Sincerely,

Tony Liberto  
President
